Flip Up Socket With Mobile Charger EK9810	
Name:	EK9810
Model No.:	EK9810
Type:	Table wireless charge socket
Style:	Motorized rotating power socket
Color:	Silver/Black
Material:	Aluminum alloy
Overturn angle:	180 degree
Configuration:	2*universal power+2*USB charger+1*network+1*hDMI+1*wireless charger
Panel size:	350mm * 130mm
Box Size:	345*102*98mm
USB Output:	Double 2 USB charger 5V/2A
Cable length:	1.5m
Warranty:	12 month
Application:	Office table

Introduction:

EK9809 desktop socket is designed as an motorized flip up socket socket with multi-functional configuration, It is a hidden equipment as it is mounted on the tabletop to use and hidden into table when it is not be used. Motorized rotate with 180 degree overturn angel, the socket is flipped up on the tabletop once control by the press button switch. With the wireless charger connector, users could put the mobile on the charger to charge directly without wire. For your selection, it also have USB charger connector for charging the mobile or other equipment by USB wire. Other configuration of universal power socket, RJ11 telephone and RJ45 network plug, Modular design can change to different modules as per your requirement. It is a smart socket to make the electrical equipment connect easliy and conveniently. Cover by the full aluminum alloy material, the socket is stable and good quality. It's widely used for the high-tier office table, conference room table AV solution, hotel room and training room

Seiling Piont:
